No exchange of water will be permitted which interferes with other water user's rights or without permission of the Watermaster – Dennis Murray or Tyler Obray.

Notice: At the expiration of the allotted time for any stockholder to the use of water, he shall turn the same back into the canal or ditch from which the same was taken. Remove all backers when the water is turned off at the canal.

If persons do not use their water turn, the water must remain in the canal.

It is the responsibility of property owners to keep all ditches running through or in front of your property, clean and clear of obstruction.

This schedule is subject to cancellation if the water supply decreases below a certain standard.

No exchange of water will be permitted which interferes with other water user's rights or without permission of the Watermaster – Dennis Murray or Tyler Obray.

Notice: At the expiration of the allotted time for any stockholder to the use of water, he shall turn the same back into the canal or ditch from which the same was taken. Remove all backers when the water is turned off at the canal.

If persons do not use their water turn, the water must remain in the canal.

It is the responsibility of property owners to keep all ditches running through or in front of your property, clean and clear of obstruction.

This schedule is subject to cancellation if the water supply decreases below a certain standard.
